JUST ASK

Ask In Plain English

A multi-step engine reasons across products and answers from your live, tenant-isolated data.

ASKS FOR YOU

Nightly Sweep

Wave runs an anomaly sweep each night and surfaces what it found as console cards.

WHY, NOT JUST WHAT

Every Prediction Explained

Wave narrates any prediction in one sentence a rep can read without a data team.

Ask Wave anything.

Book a 20-minute walkthrough on your real data.
